

Dominion Method Gaming Welcomes LionHeart to the DMG roster.

Tuckerton, NJ - 1/8/2011 - We pleased to announce to welcome **Ryan "LionHeart" McDaniel** to the DMG roster.

This is an exciting time for DMG and for the FGC. The new Evo Season 2012 is upon us and it's only fitting for DMG to bring some fresh blood with an unquenchable hungry for competition matching our own. Plus, there is one thing we have always demonstrated; we have heart!

LionHeart is considered to be one of the very best Sagat in the East Coast by his peers and LionHeart's track record is proof of that statement.

We look forward to see some great things from this competitor.

About Dominion Method Gaming

Established in 2009, Dominion Method Gaming is the premier fighting game brand competing on a professional level. Our mission is to expand as a group in order to compete at major events nationwide and international as we make our efforts of making E-sports and competitive gaming more as a single entity.
